- Rehabilitation facilities will not be available due to patient use
- Information regarding availability can be found at www.thepolicetreatmentcentres.org

See overleaf for more information about your weekend break ...

St Andrews in Harrogate

Set in beautiful grounds within an easy walk of the town centre, St Andrews is perfect for an autumn or winter break, whether it is a weekend of culture, relaxation, outdoor activities or Christmas shopping. Wander down into Harrogate and enjoy lunch or afternoon tea at the world famous Betty's or spend the day discovering the local area. Or why not pamper yourself at the Turkish Bath and Health Spa?

You will also find designer shopping and a choice of great restaurants for eating out. Check out the Welcome to Yorkshire website for details of Christmas markets in Harrogate, Leeds and York as well as local villages.

Castlebrae in Auchterarder

Set in 6 acres of beautiful, peaceful grounds Castlebrae is just a few minutes' walk from the town centre with its small boutiques and coffee shops and is perfectly situated to explore beautiful Perthshire and further afield. The world famous Gleneagles Hotel and Golf complex, is only a few minutes away and the 'Fair City' of Perth close at hand. The area is great for those who love golf as well as anyone with an interest in walking or cycling, or you could even bag yourself a munro or two.

Being centrally located at the heart of Scotland and with excellent transport links north and south, Auchterarder is a great base for the many events happening, just an hour away, in Edinburgh and Glasgow throughout the autumn and winter. Check out the Visit Scotland website for information.
